3. The owner(s) will convey said property to the City in fee simple, free, clear and unencumbered, by deed of general warranty with full release of dower, and will procure, record and deliver to it all releases of all other interests therein which are necessary to convey such title including, but not by way of limitation, those of tenants, lessees, or others now in possession, or in any manner occupying said premises, and all assessment claims against the property. If, however, the conveyance of the property herein cannot be effected within the time stipulated because of defective title or the inability or refusal of the owner to convey said property, the owner shall be liable for all additional taxes and assessments which accrue as a result of said delay of conveyances.

4. Complete possession of the above described property shall be given to the City on the date of conveyance to the City.

The City may withhold, at the time the sale is closed, a sufficient portion of the purchase money stated above to pay all fixed tax claims against the property for the payment of which the owner is obligated herein and all assessment claims against the property, and to pay all such tax and assessment claims which may then be liens but which cannot be paid until the amounts thereof are fixed. 7. Delivery by the owner(s) of the deed hereinabove provided for and the acceptance by the City of said deed shall be upon the express conditions and reservation that such delivery and acceptance shall not be deemed to extinguish, waive, or discharge any of the obligations of the owner(s) or the City hereunder not stipulated or contained in said deed, nor in any way to prejudice or bar the owner(s) or the City in asserting any of its rights hereunder.

8. That after acceptance by the City of this offer the owner(s) will not contest any action which the City has or may institute to appropriate said property to public use and in such proceeding the owner(s) will appear and consent that the jury in its verdict and the Court in its judgment entry may make the amount of the purchase money stated above the amount of the compensation awarded for the appropriation of said property to public use.
