PROPOSAL

JULY 15 1976

TO: The City Manager
City of Centerville, Ohio

The undersigned, having full knowledge of the site, plans and specifications for the following improvement, hereby proposes to furnish all materials, labor and equipment, and to construct in every respect complete:

Curb installation around the center island of Rahn Road, from Marshall Road east to the railroad track, a distance of approximately 2800 feet; construction of turn lanes and repairing of a certain stretch of westbound Rahn Road.

in accordance with the plans and specifications therefor on file in the Office of the City Manager, Centerville, Ohio, and the rules and regulations of the City and under the direction of the City Engineer and to the satisfaction of the City Manager at the rates hereinafter set forth.

The Standards and Specifications of the City of Centerville - the Construction and Material Specifications of the State of Ohio, Department of Highways, dated January 1, 1975 and the Construction and Material Specifications of the City of Dayton, where indicated, shall govern this improvement.

Each laborer, workman or mechanic employed by the Contractor, the Sub-Contractor, or any persons about or upon the work to be performed shall be paid not less than the prevailing wages as required by the Statutes of the State of Ohio. (Sections 4115.01 and 4115.14 O.R.C.). Minimum wages are those paid in the same trade or occupation in the locality where such public work is being performed, under collective agreements or understanding between bona fide organizations of labor and employees as determined by the Department of Industrial Relations.

The consideration to be paid for the performance of the contract of the above described project is sixty four thousand eighty six and ⁵⁰/₁₀₀ dollars

On acceptance of the proposal for said work the undersigned hereby agrees to enter into a contract and properly secure the performance of the same within five (5) days after being advised that such contract is ready for signature and hereby further agrees to finish and complete said work within sixty (60) working days after being notified in writing to do so, and will give the required bond for the faithful performance of such contract, the payment of materials contractor and for the payment of employee's wages and liens that may arise therefrom, as may be approved by the City Manager.
