Re: Improvement of Maple Avenue

Dear Mr. Schab:

We are pleased to submit the following proposal for the Consulting Engineering Services required for Phase III - Construction Phase - of the Maple Avenue Improvement. It is understood that this phase will be undertaken only if Local Public Works Capital Development and Investment Funds are approved and construction of this project commenced.

Scope of Services

The basic services under this phase will include:

A. Office Engineering

1. Assistance to the City in securing bids, tabulation and analysis of bid results, and furnishing recommendations on the award of construction contracts;
2. Assistance in the preparation of formal contract documents for the award of contracts, if desired;
3. Consultation and advise to the City during construction;
4. Preparation of elementary sketches and supplementary sketches required to resolve actual field conditions encountered;
5. Checking detailed construction drawings and shop and erection drawings submitted by contractors for compliance with design concept;
6. Reviewing laboratory, shop, and mill test reports of materials and equipment; and
7. Submit a monthly report to the City and a copy to EDA Regional Office covering the general progress of the job and describing any problems or factors contributing to delay.
