It has been recommended that award be given to Domtar Chemicals, Inc. at their bid price of \$9.00 per ton for direct transfer barge delivery, and \$11.55 per ton delivered truck transport.

Your initial order should be placed as close to the tonnage as you had requested. Your price for your first delivery will be \$9.00 per ton, and after that, for a truck transport it would be \$11.55 per ton. However, I have been assured by Mr. Bruce Doane, of Domtar Chemicals Inc., that he would be contacting you whenever a repeat of salt orders

September 18, 1972

are placed, in order for you to take advantage of the barge load price.

All salt orders should be placed by you to the Domtar Chemicals, Inc., including the initial order, to Mr. Bruce Doane at his home phone number 293-3225.

Please advise if you are in accordance with our recommendation we are more or less committed to this price agreement for this coming year. Also if any difficulties occur with the salt as to caking, delivery, etc., please contact me at this number. 224-9114, for I am most interested in making sure that this agreement functions smoothly.

Your cooperation will be greatly appreciated.

Yours truly,

Alfred Florio
