

loped by any person or persons, firm or corporation from any source other than the village public water supply.

Sec. 2. That no connection to the water works mains of the Village of Centerville shall be established or maintained to furnish water for purposes other than fire protection to any property now or hereafter provided with a private water supply, unless the piping and distributing systems conveying the public water supply and the private water supply, respectively, are constructed and maintained so as to be completely separated and without any cross-connection through which water from the private water supply can enter the water works mains or distributing system of the public water supply; and no cross-connection shall be established or maintained for any property now or hereafter supplied with water from the water works mains of the Village of Centerville.

Sec. 3. That no connection to the water works mains of the Village of Centerville shall be established or maintained to furnish water for fire protection to any property now or hereafter provided with a private water supply for fire protection obtained from a source other than the public water supply, unless equipment or devices satisfactory to the Board of Trustees of Public Affairs, and to the Health Commissioner of Montgomery County, and to the State Department of Health, are installed on the connection and maintained to the satisfaction of the Board of Trustees of Public Affairs, and the Health Commissioner of Montgomery County and the State Department of Health so as effectually to prevent water from the private water supply from entering the water works mains. When such installation is made no connection between the piping system for fire protection only and other piping system upon or within the property shall be established or maintained.

Sec. 4. The Board of Trustees of Public Affairs is hereby authorized and directed to investigate the piping systems of all properties which may be affected by this ordinance and to take such action as may be necessary to enforce the provisions of this ordinance. The Board of Trustees of Public Affairs may adopt and enforce regulations in accordance with this ordinance.

Sec. 5. That any person or persons, firm or corporation who shall violate any of the provisions of this ordinance shall, upon conviction, be fined not less than One Hundred (\$100.00) Dollars nor more than Five Hundred (\$500.00) Dollars for each offense.

Sec. 6. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed June 26, 1939.

ORDINANCE NO. 18 - 1939

To prevent the pollution of the public water supply of the Village of Centerville.

Be It Ordained by the Council of the Village of Centerville, Montgomery County, Ohio, three-fourths (3/4) of the members elected thereto concurring:

Sec. 1. That no privy vault, cesspool, public or private sewer, receptacle for sewage or excreta, hog pen, barn, manure pit, slaughter house or other source of pollution shall be established, constructed, maintained or permitted to remain within five hundred (500') feet of Quarry Lake or of any wells now or hereafter installed for the purpose of furnishing the public water supply of the Village of Centerville, unless such privy vault, cesspool, sewer, receptacle for sewage or excreta, hog pen, barn, manure pit, slaughterhouse or other source of pollution be so constructed as to be watertight and so maintained that none of the liquid or solid substances contained therein or intended to be contained therein shall be permitted to reach the surface of the ground or to enter the soil within said distance of 500 feet.

Sec. 2. That each owner, agent, lessee, tenant or occupant of occupied lots or land within 500 feet of said Lake or wells shall make, maintain and use a connection with a public sanitary sewer, if such sewer is accessible, or shall make such connection to a sanitary sewer as soon as such a sewer is made accessible. If a sanitary sewer is accessible or as soon as such sewer is made accessible, any privy, cesspool, or other receptacle for sewage or excreta within said distance of 500 feet shall be thoroughly cleaned, disinfected, filled with suitable filling material and abandoned. If a public sanitary sewer is not accessible, a watertight privy vault, cesspool or other receptacle for sewage or excreta shall be installed and maintained, as provided by Section 1.

Sec. 3. That no privy vault, cesspool, public or private sewer, receptacle for sewer or excreta, hog pen, barn, manure pit, slaughterhouse or other source of pollution shall be established or constructed within said distance of 500 feet unless and until the plans and specifications therefor have been submitted to and approved in writing by the Health Commissioner of Montgomery County, or the State Department of Health. When the same has been constructed, then it shall not be used for such purpose, until there has been a final inspection and written approval made by the Health Commissioner of Montgomery County, or the State Department of Health and filed with the Board of Trustees of Public Affairs of the Village.

Sec. 4. That no person, firm or corporation shall deposit or place or cause to be deposited or placed any dead animal, offal, garbage or other filthy or poisonous substance upon or under the ground or in any stream or body of water within 1000 feet of said Lake or wells, or in said Lake or wells themselves.

Sec. 5. That no person, firm or corporation shall deposit or place or cause to be deposited or placed rubbish or waste materials of any kind or description upon the banks or within the boundaries of said Lake.

Sec. 6. That any person, firm or corporation who shall violate any provision of this ordinance shall upon conviction be fined not less than Ten (\$10.00) Dollars nor more than one hundred (\$100.00) Dollars for each offense.

Sec. 7. That any person, firm or corporation who, after conviction of violation of any of the provisions of the preceding sections of this ordinance, shall fail to remove forthwith any source of pollution, for the construction, maintenance or placing of which such person, firm or corporation has been convicted, shall be deemed guilty of an offense against the public health and welfare, and upon conviction thereof, shall be fined Ten (\$10.00) Dollars for each period of twenty-four (24) hours such source of pollution shall be permitted to remain after such first conviction; and in the event such person, firm or corporation shall fail or refuse to remove such source of pollution, the Board of Trustees of Public Affairs, shall remove the same and the expense of such removal shall be paid by the person, firm or corporation convicted aforesaid.

Sec. 8. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed this 26th day of June, 1939.

ORDINANCE NO. 19 - 1939

To prevent the pollution of the water supply
of the Village of Centerville

Be It Ordained by the Council of the Village of Centerville, Montgomery County, Ohio, three-fourths (3/4) of the members elected thereto concurring:

Sec. 1. That it shall be unlawful for any person, firm or corporation to establish an outlet for the discharge of sewage or industrial wastes directly or indirectly into Quarry Lake or any water course flowing into said Lake within a distance of twenty miles from the corporation line of the Village of Centerville whereby such sewage or industrial wastes may reach said Lake until such person, firm or corporation has obtained the approval in writing of the Board of Trustees of Public Affairs of said Village, of the proposed outlet and of such treatment works as may be necessary to prevent the pollution of the public water supply of said Village.

Sec. 2. That it shall be unlawful for any person or persons, firm or corporation to place or deposit or cause to be placed or deposited in Quarry Lake or any water course flowing into said Lake or on or under the surface of the ground at any point from which contamination may reach said Lake or any water course flowing into said Lake within a distance of twenty miles from the corporation line of the Village of Centerville, any human or animal excreta, offal, dead animal, garbage, or refuse or offensive, putrid, or polluting material of any kind.

Sec. 3. That it shall be unlawful for any person or persons, firm or corporation to establish or maintain a privy within twenty miles of the corporation line of said Village unless such privy is provided with a vault so constructed and maintained as to prevent the material deposited therein from overflowing onto the surface of the ground and into Quarry Lake or any water course flowing into said Lake. The owner, tenant or lessee of property on which such vault is located shall have it cleaned at such frequent intervals as to avoid overflow and shall cause the material removed to be buried at a point not less than 500 feet from said Lake or any water course flowing into said Lake.

Sec. 4. That the Board of Trustees of Public Affairs shall enforce the provisions of this ordinance and is hereby authorized to establish and enforce suitable regulations and to provide for the regular patrols of the area affected thereby.

Sec. 5. Whoever violates any of the provisions of this ordinance shall, upon conviction thereof, be fined not less than Five (\$5.00) Dollars nor more than Five Hundred (\$500.00) Dollars for each offense and a separate offense shall be deemed to have been committed for each period of twenty-four (24) hours such violation shall continue after such conviction.

Sec. 6. This ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed June 26, 1939.
