said luminaires to be located as shall be directed by the Lighting Committee of the Council of the Village of Centerville, Ohio.

SECTION 3: That said lighting shall be furnished by means of aerial construction only, and the Power Company shall be privileged to and shall install all necessary wires, poles, anchors, guys and other equipment necessary and proper to accomplish such lighting by such means.

SECTION 4: That said lighting shall be according to what is known as the "ALL NIGHT AND EVERY NIGHT SCHEDULE"; i.e., the luminaires shall be illuminated every night from approximately one-half hour after sunset of one day to approximately one-half hour before sunrise of the next day, in accordance with which schedule each luminaire shall be illuminated for approximately 4,000 hours per year.

SECTION 5: That the location of each luminaire shall be approved by the Lighting Committee of the Council of said Village before the luminaire is erected, and after a luminaire has been erected in accordance with such approval, the Power Company, upon a written order from the

Council, shall remove it to another location, the cost of such removal and relocation to be paid by the Village of Centerville, Ohio.

SECTION 6: That the Power Company shall use all diligence and care necessary to keep all the luminaires clean and burning during the hours called for in this ordinance, and the Village through its duly authorized officers, shall promptly report to the office of the Power Company all luminaires discovered not burning.

SECTION 7: That whenever any tree or trees upon any sidewalk of any street, lane, alley, or avenue shall seriously interfere with the distribution of light from any luminaire, or group of luminaires, of which the Council of the Village shall be the judge, the Village will trim, or cause to be trimmed, any such tree or trees in such a manner that such interference with the distribution of light will be removed.

SECTION 8: That all lighting to be furnished hereunder shall be furnished and supplied as provided herein continuously and without interruption except for the following causes: accidents and contingencies, short circuits, line, luminaire or equipment failures, breakdowns, strikes, fires, floods, riots, cyclones, vandalism, explosions, acts of God or nature, acts or orders of The Public Utilities Commission of Ohio, acts or orders of any civil, judicial or military authorities, or any cause beyond the control of the Power Company. The Power Company does not guarantee continuous lighting and shall not be liable to the Village or anyone else for any damage, loss or injury resulting from any interruptions in such lighting caused or resulting from the happening of any of the foregoing causes or contingencies, or otherwise; provided, however, the Power Company will make reasonable effort to remove the cause of any suspension or interruption of and to resume the lighting agreed to be furnished hereunder.

SECTION 9: That all lighting furnished hereunder by the Power Company shall be furnished under and subject to the Power Company's applicable General Service Rules and Regulations for Electric Service, as now, or hereafter from time to time, on file with The Public Utilities Commission of Ohio.

SECTION 10: That the plans and specifications herein referred to for such street lighting, and on file with the Clerk of said Village, be and the same hereby are adopted and approved.

SECTION 11: That upon The Dayton Power and Light Company filing its written acceptance of this ordinance with the Clerk of said Village within thirty (30) days from the taking effect hereof, this ordinance shall be and constitute a contract between said Village and said Power Company to light the streets, lanes, alleys, avenues and public grounds, in accordance herewith, for five (5) years, commencing on the 28th day of December, 1964.

SECTION 12: That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

PASSED this 7 day of December, 1964.
