

It was moved by Mr. Poff, seconded by Mr. Dutcher and carried unanimously that the Village advertize for bids in the Dayton Daily News for a 2-door-8 cyl. internal combustion engine-type of automobile suitable for a police cruiser, trading in the wrecked cruiser ~~for~~ ^{at} its adjusted value. A roll call resulted in 6 ayes in favor of the motion.

Mr. Lynn was to contact the insurance adjusters and to place bid in the Dayton papers.

The meeting adjourned.

Regular Meeting of Council

The Council of the Village of Centerville, County of Montgomery and the State of Ohio, met in regular session December 5, 1955, with Mayor Kelsey presiding. Present: F.C. Lyons, James Presbaugh, Don Schell, Kenneth Poff, Richard Neal.

The minutes of the two previous meetings were read and approved.

The Mayor's report of Fines, Forfeitures and Costs amounting to \$51.30, State Court cases amounting to \$57.75, showing that the same had been paid in the Village treasury was submitted. It was moved by Mr. Schell, seconded by Mr. Poff and carried unanimously that the report be accepted and placed on file. A roll call was ordered which resulted in 5 ayes in favor of the motion.

Discussion followed concerning the radio communication of Centerville with Kettering Police instead of the County Sheriff's Office. Mr. Lyons suggested that if the Council wishes later to go back to the Sheriff's communication instead of the present set-up communication with the Kettering Police, they may do so if they see fit. At the present time, it seems proper to have some official recognition, ~~that~~ such as a resolution, that such an agreement now exists between the Kettering and Centerville Councils.

It was moved by Mr. Presbaugh, seconded by Mr. Poff and carried unanimously that the following bills be approved for payment.

The Street Committee made their report, particularly of the streets in the Boyles and Gorman Plats.

(1) Improvements in plat "Boyles Addition to Centerville" as specified in paragraph 1 of contract between Mrs. Boyles and the Pyper Sand & Gravel Co. have been completed and are herewith accepted except in the following areas:

- a. Curb and gutter at the southeast corner of Virginia and Jeanette Avenues.
- b. Curb and gutter at the northeast corner of Virginia and Jeanette Avenues.

Failure of the curb and gutter in these two locations appears due to settling of backfill over the installed storm sewer. It is recommended that the replacement of the fractured curb and gutter be accomplished in the spring as further settlement may occur through the winter months. Replacement of the fractured curb and gutter, approximately 40 feet, is estimated at \$100. It is recommended that this sum be withheld from initial payment to contractor.

(2) In the Gorman Plat, the following corrections should be made before the spring paving of the streets.

a. On Hampton ^{at Hampton & Sheldon} there is no inlet in the curb on the Northwest corner to take care of the surface water, and a catch basin should be installed at this point as specified in the plat street specifications.

b. The grade of the curb on the southwest corner of H Hampton, will not let the water run away, and thus should be corrected.

c. An underground tile from Lyons Dr. down to Sheldon and on to Dixon ^{property} should be installed to relieve the drainage problem in that area. If gravel be placed in this wet and muddy areas would relieve the ~~xxx~~ driving conditions and also aid in forming a better base for the street.

ordered

The Clerk was ~~informed~~ to write a letter to Mr. Gorman ~~inform~~ informing him of ~~xxxxxxxxxx~~/these conditions in the Gorman Plat so correction could be made before paving next year.

Mr. Lynn announced that the performance bond for the Gorman Plat #3 has been extended for one year.

Mr. Lynn stated that Ord. 2-1954, authorizing the sale of the Centerville Water Works to the Moraine Water District should be replaced by a new Ordinance. After discussion the Council agreed a new Ord. should be passed.

Discussion followed concerning settlement with the Nationwide Ins. Co. about the Village Cruiser. No action was taken but the council would decide at the meeting ~~Tuesday~~ Dec. 13. Also at this time bids will be opened for the new cruiser. The meeting adjourned.
