Dear Larry,

Thank you so much for allowing us to send you this proposal today. I have listed our managed MDR, SIEM, FortiEDR, FortiMail, and ConnectWise Automate with ThirdWall. The only thing I don't have listed on here is the hardware and costs associated with that. I am in the process of finalizing the specs for those and will get those out to you as soon as I have the pricing. If you need any of these services wrapped up into a monthly cost instead of upfront, I can do that as well. Just let me know what works best for you and I can adjust that. Thank you again and let me know if you have any questions.
