City of Centerville Policy

Against Unlawful Harassment and/or Discrimination

The City of Centerville strives to maintain a workplace that fosters mutual employee respect and promotes harmonious, productive working relationships. Any harassment or discrimination based on sex, race, color, religion, national origin, age, disability or any other protected status by law is prohibited. This policy applies to all employees, Centerville Volunteer Board and Commission members and CIVIC Municipal Volunteers throughout the organization and all individuals who may have contact with any employee, Centerville Volunteer Board and Commission members or CIVIC Municipal Volunteer of this organization. Furthermore, the City of Centerville will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship.

Guidelines:

- A. No supervisor shall threaten or insinuate, either explicitly or implicitly, that an employee's refusal to submit to sexual advances will adversely affect the employee with regard to such employment conditions as hiring, termination, promotion, wages or a significant change in benefits, or that an employee's acceptance of sexual advances will positively affect an employee with respect to such employment conditions. This policy confirms that submission to unwanted advances will never constitute an actual condition of employment. Any representation to the contrary is not to be relied upon. Immediate reporting of such unwanted advances is mandatory.
- B. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other offensive conduct that is either sexual in nature or directed at someone because of his or her gender. Sexual harassment undermines the employment relationship by creating an intimidating, hostile or offensive work environment.
- C. Harassment, whether sexual or based on characteristics listed above, may take many forms. By way of example, harassment, under this policy, may include:

Verbal Conduct – such as epithets, derogatory jokes or comments, name calling, innuendos, demeaning slurs, or unwanted sexual advances.

Visual Conduct – such as leering, derogatory and/or sexually oriented posters, photography, cartoon drawings, graffiti, electronic mail, or gestures.

Physical Conduct – such as assault, offensive touching, blocking of normal movement, or interfering with work.

Threats or Demands – to submit to sexual requests as a condition of continued employment benefits.

The City of Centerville will not tolerate any such conduct. Personnel who violate this policy may be disciplined or terminated.

Over, please

- D. Please remember that it is everyone's responsibility to maintain a harassment and discrimination-free work atmosphere. Employees who have a complaint or concern about possible harassment or discrimination in connection with incidents they have experienced or of which they are aware are required to report such complaint or concern immediately.
- E. Complaint Procedure: Any employee who experiences or observes conduct believed to constitute harassment and/or discrimination should firmly and clearly tell the person engaging in the harassing and/or discriminating conduct that it is unwelcome, offensive and should stop at once. The employee is required to immediately report any discrimination and/or harassment to his or her immediate supervisor, Department/Division head, to the Personnel Officer, to the City Manager, or to the Law Director so that the incident may be fairly investigated and appropriate remedial action needed may be taken.
- F. The City of Centerville will conduct an investigation in as confidential a manner as possible. A timely resolution of each complaint will be reached and communicated to the employee and the other parties involved. Appropriate disciplinary action, up to and including termination, will be taken promptly against any employee engaging in harassment and/or discrimination.
- G. Retaliation against any employee for filing a complaint or participating in an investigation is strictly prohibited. Any employee who believes he or she is being subjected to retaliation should promptly report this to one of the individuals listed above. Complaints of retaliation will be investigated, and, where appropriate, may lead to disciplinary action up to and including termination. Additionally, any employee who knowingly makes a false claim of harassment and/or discrimination will be subject to disciplinary action up to and including termination.

City of Centerville

Release and Waiver of Liability for Voluntary Services

Waivers and Release. I hereby release and forever discharge and hold harmless the City of Centerville (hereinafter “Centerville”), and its successors and assigns from any and all liability claims, demands, and causes of action, of whatever kind of nature, either in law or equity, which may hereafter arise from my participation with and/or any project, activity or event sponsored, managed, arranged or promoted by, or otherwise affiliated or associated with Centerville. I understand and acknowledge that this Release discharges Centerville from any liability or claim that I may have against Centerville with respect to any bodily or other physical injury, illness, death or property damage that may result from my voluntary participation. I also understand that Centerville does not assume any responsibility or obligation to provide financial assistance or other assistance, including, but not limited to, medical, health, or disability insurance, in the event of injury, illness, death or property damage.

Insurance. I understand that Centerville may elect to provide group accident or other liability insurance for the benefit of its volunteers. The policy language will govern any coverage so provided. Except to the extent that it may provide such insurance, Centerville does not carry or maintain any health, medical, or disability insurance coverage for the benefit of its volunteers, or workers’ compensation coverage for the benefit of non-emergency volunteers, and expressly disclaims any responsibility or obligation to do so. As a volunteer, I am expected and encouraged by Centerville to maintain medical, health, and all other applicable insurance coverage for my own benefit. Centerville only provides automobile liability insurance coverage to volunteers when a City car is driven to complete their duties. If you are driving your own vehicle while performing volunteer duties, your insurance carrier will provide the coverage.

Summary of Liability Coverage for Volunteers. The City of Centerville has liability insurance coverage to protect employees and other covered persons (as outlined in the Liability Coverage Document 2012LY24A) in the areas of Personal Injury Liability, Property Damage Liability, Public Officials Errors and Omissions Liability, Unfair Employment Practices Liability, and Employee Benefit Liability. Volunteers of the City of Centerville and members of any other committees, boards or commissions are considered *covered persons* under this liability insurance coverage while acting for or on behalf of the City of Centerville and within the course and scope of their involvement. Certain exclusions apply.

Medical Treatment. Except as otherwise agreed to by Centerville in writing, I hereby release and forever discharge Centerville from any and all liability claims, demands and causes of action whatsoever that may arise on account of any first aid or other medical treatment rendered during my participation with any project, activity or event sponsored, managed, arranged, or promoted by, or otherwise affiliated or associated with Centerville.

Accident Reports. If you observe or are involved in an accident while performing city volunteering duties, report the incident immediately to your staff liaison and complete required accident reporting forms, as instructed. In the case of an emergency or if you are involved in a traffic accident, call 9-1-1 to report your location and any injuries. Seek medical attention as necessary.

Assumption of Risk. I understand that my participation with Centerville and/or any project, activity or event sponsored, managed, arranged or promoted by, or otherwise affiliated or associated with Centerville may include activities that may be hazardous to me. I further recognize and understand that such participation may involve certain inherently dangerous activities. I hereby expressly and specifically assume the risk of injury or harm in the activities and release Centerville from all liability for injury, illness, death and/or property damage that may result.

OVER, please

Photographic Release. I do hereby grant and convey unto Centerville all rights, titles, and interest in and to any and all photographic images and video or audio recordings made by or on behalf of Centerville or made with its consent, during my participation with any project, activity or event sponsored, managed, arranged, or promoted by, or otherwise affiliated or associated with Centerville, including, but not limited to, any royalties, proceeds, or other benefits derived from such photographs or recordings.

Suitability for Volunteer Service. I understand that by offering to serve in a volunteer capacity for Centerville, I do so at the sole pleasure of Centerville, and as such Centerville has the last and final judgment on my suitability for volunteer service and may, at any time, discontinue the relationship. I may also discontinue the relationship at any time I wish.

Other. I expressly understand and agree that this Release is intended to be as broad and inclusive as permitted by law, and that this Release shall be governed by and interpreted in accordance with federal, state, county and city laws. I agree that in the event that any clause or provision of this Release shall be held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not otherwise affect the remaining provisions of this Release. By signing below, I acknowledge that I have read and understand this Release and agree to its provisions.
