

CENTERVILLE PLANNING COMMISSION
Workshop Session
January 11, 1977

Mr. Tate called the meeting to order at 8:00 p.m.

Attendance: Mr. Roland McSherry, Mr. James P. Hickey, Mr. Dennis Donnellan, Mr. Jeffrey T. Siler, Mr. George J. Schottmiller, Mr. Michael V. Thill, Mr. Elmer C. Tate, Jr. Also present: Mr. Garth Reynolds, City Planner; Mr. Robert Farquhar, Law Director.

Mr. Reynolds gave the Commission members copies of the revised Architectural Preservation District regulations. He advised the Commission that a group of businessmen located in the APD had formed a group and are working with the Board of Architectural Review on the regulations since they feel they are too restrictive. Mr. Frazee has been appointed chairman of the group.

Mr. Reynolds suggested that although the Planning Commission had held public hearings and done extensive review of the APD ordinance over the past several months, this new group be given a week to give their input since they are involved in the APD already.

Mr. Reynolds also reviewed the Planning Commission's areas of responsibility for the different types of applications.

There being no further business, the meeting was adjourned at 8:45 p.m.
