CENTERVILLE PLANNING COMMISSION

Centerville, Ohio

A Special Meeting of the Centerville Planning Commission was held September 24, 1970. In attendance were: Bruce Baker, John Butler, Marion Loemker, Elmer Tate, Harold Wells and City Engineer Frank Williams. City Manager John Griffin was in attendance during the latter part of the Meeting.

The Minutes of the August 31st Meeting were approved with two corrections:
In discussion item No. 6, the fourth paragraph should begin with the word "Four" instead of "Few";
and it should be noted that Mr. Creamer's resignation was due to a move to New Mexico, not Arizona.

Messrs. Norman Reese, Joe Rippe, Cincinnati, and Paul Rodenbeck, Dayton Consulting Engineer, appeared informally to discuss tentative proposals for the development of land owned by Mr. Reese along Wilmington Pike.

The Commission continued its discussion and revision of the proposed Planning Objectives.

Marion Loemker,
Secretary
