

Minutes of Meeting

CENTERVILLE PLANNING COMMISSION

Date: October 31, 1966
Time: 8:50 P.M.
Members Present: Lyons, Purdin, Hoy, Butler

This was a special meeting called to consider the application for construction of an apartment complex by Towne Properties Apartments on North Village Drive in the EC area of Village South. *

Lyons reviewed the discussions of the prior meeting. The questions of density, design and open ditches were discussed. It was agreed that the density was in accordance with the ordinance, that the ditches were to be landscaped and maintained by the owners and that modifications and alterations to the general exterior design be considered.

It was the unanimous finding of the commission that the public health, safety, morals and general welfare of the Village would not be substantially adversely affected by this proposed use for this land and that the requirements as detailed on pages 34, 35 and 36 of the zoning ordinance had been made known to the developers.

Respectfully submitted,

John Mann Butler,
Secretary
