Date: June 11, 1963

Time: 7:30 P.M.

Members Present: Theiss, Moore and Butler

Minutes of meeting of March 12, 1963 read, corrected and approved.

Apparently in Centerville Acres No. 2 Section 2 a part of Sheehan Road is one-half in the Village and one-half out of the Village. The developer of this plat requested that the half outside the Village be deeded to the Village. It was recommended this be approved if approved by the Village Solicitor and that if the transfer charges are borne by the requestor.

Respectfully submitted,

John Mann Butler,
