

MINUTES OF MEETING

Centerville Planning Commission

Date: October 22, 1962

Time: 7:30 P.M.

Members Present: Gimbel, Schell, Butler

Dr. DeBard and Mr. Newton presented plans for a medical building on the southeast corner of Main and Ridgeway. This conforms with zoning requirements and was felt to be good use of this property. It was unanimously recommended that a Zoning Permit be issued and Dr. DeBard was given a zoning permit application.

Respectfully submitted,

John Mann Butler
Secretary
