

Minutes of Meeting
CENTERVILLE PLANNING COMMISSION

Meeting Date: Monday, August 28, 1961

Time: 7:30 P.M.

Members Present: Messrs. Griest, Gimble, Schell and Theiss

Discussion:

The minutes of the July 11, 1961 and August 3, 1961 minutes were read and approved.

Mr. McCoy submitted another letter relative to the proposed subdivision of his property on Normandy Lane. After reviewing the Village Engineer's letter of July 25, 1961, the proposal was declined on the basis that it did not fulfill the subdividers agreement.

Considerable discussion was held with Messrs. Combs, King, Lackrone and Poff regarding their respective properties in relation to the new water main and street requirements for the Industrial Park area. It was agreed that the concerned parties would meet and collectively work out a solution satisfactory to all and present a proposal to the Planning Board. All parties agreed that a solution could be worked out in order that Mr. King could be provided egress from his property.
