

Meeting Date August 9, 1960

Members present: Niswonger, Schell, Theiss and Gordon

The drawings on street layout and sewer locations was submitted to the Commission by Mr. Wildasinn on his subdivision known as Woodbourne Farms. Since the Board of Education had requested access to Franklin Street in that area, the Board will be requested for a written statement to the effect. The plans were turned over to the Village Engineer for study.

A letter was received from Mr. Wm. Yeck, of the Washington Township Park Commission with a map of the area showing the needs for immediate playgrounds and parks. The map was placed on file and will be used in the future planning of areas.

A letter was received from Mr. Williams concerning the Section 6 of Concept Development~~a~~ as discussed ~~xx k~~ at the previous meeting, since the sidewalk subject is still unsettled, it was suggested that a joint meeting between the Board, Mr. Huber, and Mr. Williams be held to settle the problem. Mr. Neiswonger will arrange the meeting.

Meeting adjourned.

T. T. Gordon, Secretary
