Centerville, Ohio

Dear Mr. Arnold:

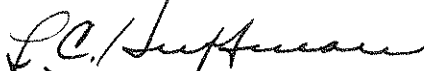

Subject: Sewage Treatment Plant to be  
Constructed by the Son Development Company  
~~For~~ the Southeast Centerville Sewer District

The State Department of Health as of April 20, 1959,  
has approved the subject plant providing the County will  
operate, maintain and expand when necessary along with other  
provisions as far as the rules and regulations are concerned.

We have agreed to do this for the State Department of  
Health and at the same time we requested them to send us a  
permit. We will supervise the construction, and supervise  
the trunk lines going to the plant. We understand that the  
contract for the plant was signed Monday with R. G. Mattern  
Construction Company, Dayton, Ohio.

Yours very truly

MONTGOMERY COUNTY SANITARY DEPARTMENT
