

May 3, 1959

Meeting held by telephone - contacts made to Peterborough, Still & Holmes by Arnold.

Purpose of meeting was to discuss application of John & Karl Zempel for ~~plans~~ ^{consideration} of Tenant Hill Plot, Section 4 which had previously submitted and then referred to the Village Engineer for checking, and the plans represent the preliminary and final ones. All requirements in accordance with the subdivisions and planning regulations are in order and approved by the Village Engineer. Matters made by Peterborough that the application be recommended for approval of both the preliminary and final plans by the Village Council. Searched by Schell and carried - letter attached to plans.
