Classical Series	Planning for the fall events with the High School will resume when school gets back in session.	
Summer Concert Series	The concert series is going well. There was a discussion about the need for additional volunteers. Some members expressed a concern that more CAC members are needed to greet concert attendees. The discussion centered around the question of what the responsibilities of the CAC members are in terms of participating in the concerts.  There was also discussion about the petitioners at the entrance and their disruption of the flow of traffic into the concert.	Kristen and Mark will discuss with the City Manager to be sure we are following the wishes of City Council in CAC member participation in the Concert Series.  Kristen will relay the information to the Legal Department and will report back.
