Classical Series	The Arts Commission has been requested to serve as ushers for Evening of Strings on October 25 th at Centerville High School. Harps of Grace are to perform in 2011.	
Summer Concert Series	The season was a success despite the numbers being lower than previous years. Jill was thanked for her efforts to provide soloists for the national anthem and offered to do it again next year.	
Interactive / Library / Poster Contest	556 people attended the "Day in India" event at the Library. The India displays were interesting and hands-on activities were very popular. Serving food from trays may be preferred to having people serve themselves. This will provide portion control. The country of Germany was suggested for 2011.	Ideas for 2011 are being solicited.
Marketing Committee	A Day in India flyers were distributed to the elementary schools in Centerville. During the Summer concert series there was a change in how materials were distributed. The surveys were distributed alone instead of giving them out with the programs. Satisfaction issues were identified related to pets, smoking, and children. The committee compiled a collection of articles related to Arts Commission activities from 2006 to the present day and were placed in a scrapbook for the archives.	
Old Business		
Diversity Council Request	The Arts Commission has been requested to participate in the activities of the Diversity Council. Jim

2011 Committee Assignments	The draft list of the committee assignments for 2011 was circulated.	Commissioners were asked to review the committee assignments for 2011 and submit changes as needed.
Announcements	A memo from Belinda Kenley (see attached) was reviewed with the commissioners regarding her appreciation of the contributions of the members of the Arts Commission.	All are encouraged to value the contributions of all members regardless of the number of hours involved.
