

GENERAL INFORMATION

WHO MUST FILE:	<p>All residents of the City of Centerville 18 years of age or older living in Centerville (including part year residents) having taxable income. A return is required even if tax is fully withheld. If there is no taxable income for a particular year, please indicate zero income, sign the return and mail it to the Tax Department. Please call the Tax Office if you are fully retired (retirees who do not have taxable income are exempt from filing once we are notified). If you are under age 18 and had Centerville tax withheld, a refund request (form available at www.centervilleohio.gov or by calling the Tax Office at 937-433-7151) must be filed to receive a refund. Include W2 and a copy of birth certificate or driver's license as proof of age.</p> <p>If you would like to use the E-File Tool, please visit the city website. Requirements and instructions for online filing can be found on the Income Tax page.</p> <p>Entities such as corporations, partnerships, nonresident sole proprietors, etc. physically located in Centerville or doing business in the city must file a separate business return.</p>
PART YEAR RESIDENTS:	<p>If you lived in Centerville during part of the year, you must file a tax return covering that period of time. You must report all income earned while living in Centerville. Pay statements showing year to date wages at the time of your move may be submitted if available. Otherwise, you may apportion your earnings based on residency. Income must be apportioned based on the dates of employment and dates of residency. For example: You had 2 employers in 2021 and moved to Centerville on July 1, 2021. You were employed by Employer A from January 1, 2021 to March 31, 2021. These wages would not be included on your Centerville return since these wages were earned prior to residency. However, you were employed by Employer B from April 1, 2021 to December 31, 2021. To determine the amount of wages to include on your Centerville return, divide months of residency by the total months employed (resident for 6 months / 9 months employed = 67%). You would include 67% of the wages shown in Box 5 on the W-2 from Employer B. Please Complete Section B from page 2 and/or attach a worksheet explaining your calculations along with a copy of your W-2. Please note: If you prorate income, you must also prorate any city tax that was withheld for another city on the same income. The credit for tax paid to another city cannot exceed 2.25% of the wages included on your return.</p>
DUE DATE:	<p>Calendar year filers: April 18, 2022. Fiscal year filers: by the 15th day of the 4th month following close of fiscal year. A late filing penalty may be assessed if the tax return is filed after the due date.</p>
DOCUMENTATION:	<p>All income, credits, and deductions must be substantiated by copies of W2's, federal schedules (e.g. Schedule C, Schedule E, Schedule K-1), Federal Form 1040, Schedule 1 and copies of other city returns.</p>
FILING STATUS:	<p>Joint or separate returns are permissible for married taxpayers. The tax due is generally the same regardless of filing status.</p>
TAXABLE INCOME:	<p>Salaries, wages, commissions, bonuses, incentive payments, directors fees, property in lieu of cash, tips, dismissal or severance pay, vacation pay, wage continuation plans, and stock options at the time of exercise. Also, gambling and lottery winnings, the net profits from partnerships, sole proprietorships, incorporated business entities, professions and other entities, rental and farm income and any other ordinary income. Note: Subchapter S income is taxed at the entity level and should not be included on a resident's tax return.</p>

REFUNDS:	<p>Are allowed only when city income tax has actually been paid to or withheld for Centerville. Returns so submitted will be adjusted without notice to the taxpayer, as well as returns submitted using tax credits in excess of 2.25%.</p>
OUT-OF-TOWN TRAVEL:	<p>If your city of employment refunds all or part of city tax withheld, all or part of this would be payable back to the City of Centerville since your wage is then no longer fully taxed in another city.</p>
MISCELLANEOUS:	<p>Amounts of less than \$10.00 shall not be refunded or assessed.</p>
