Cornerstone Park Ready for the Spotlight

Stephen Canneto's Celebration sculpture greets visitors to Cornerstone Park.

The new Cornerstone Park is near completion, boasting an entertainment plaza, observation pier and art sculpture.

The park, which sits along the water near Cooper's Hawk Winery and Restaurant, is a key feature of the Cornerstone development near Interstate 675 and Feedwire Road.

The park has two components, including an 11-acre passive area with benches and walking trails that preserves a headwater stream. The active portion has a pavilion area designed to create a relaxing atmosphere for visitors and customers of nearby restaurants like Bagger Dave's and Cheddar's.

"It has been City Council's vision to incorporate a beautiful piece of parkland to complement the overall Cornerstone project," Centerville City Manager Wayne Davis said.

Cornerstone Developers LLC, led by CEO George Oberer of Oberer Companies, constructed all improvements in the active and passive park areas. In the future, the City will be responsible for one-third of the maintenance costs and two-thirds will be funded through contributions from property owners' associations that currently maintain most of the public property at Cornerstone.

The City received \$1 million in Clean Ohio grant funding from the Ohio Public Works Commission to conserve the passive parkland.

"This park will be an asset for businesses and residents of Cornerstone. For years, it has been a magnet for many first-in-region retail and restaurant interest," George Oberer said.

"The addition of Cornerstone Park contributes to making this successful development a destination place and shows the City's commitment to expand, as well as improve, our amenities for businesses, residents and visitors," Centerville Mayor Brooks Compton said.

The 18-foot-tall public art piece titled 'Celebration' was designed by artist Stephen Canneto. It features an image of several figures crafted from brushed stainless steel and dichroic glass. The glass sphere changes color depending on the time of day and viewing angle. That same glass is used on the shade structure in the plaza area.

The Centerville Arts Commission is planning a ribbon cutting for the park. Details will be shared as soon as they are available on social media and centervilleohio.gov.

AARP Age-Friendly Community

Centerville has officially become the 703rd community to enroll in the AARP Network of Age-Friendly States and Communities.

The network encourages states, counties, cities and rural areas to prepare for the rapid aging of our nation's population and encourages elected and local leaders to strengthen the features and services that help make communities livable for all residents.

VETERANS DAY

In commemoration of Veterans Day, the City of Centerville and Centerville Veterans of Foreign Wars (VFW) Post 9550 are saluting the men and women who have helped protect, preserve and maintain our freedom. A ceremony is scheduled for 11:00 a.m. Friday, November 11, at the Veterans Memorial at Stubbs Park, 255 W. Spring Valley Road.

The service will include color guard presentations from Centerville VFW Post 9550 and the Centerville Police and Washington Township Fire departments' honor guards. In addition to remarks by Mayor Brooks Compton and a keynote speaker, there will be musical performances. In case of inclement weather, the ceremony will be held in the Centerville Police Building, 155 W. Spring Valley Road. Please call 937-433-7151 or visit centervilleohio.gov for more information.

Waste Rate Increase

The Waste Collection Fund pays for the City's waste and recycling collection efforts and is an enterprise fund. This means residents' taxes do not fund this program. In an enterprise fund, waste fee revenue should fully cover the cost of the waste program, including labor costs and the reinvestment in waste and recycling fleet and containers.

Effective January 1, 2023, Waste and Recycling Rates will go from \$18 to \$24 per month. Special Waste PickUps will increase from \$35 to \$50 per pick up. Customers will continue to be billed quarterly.

Why are waste rates increasing?

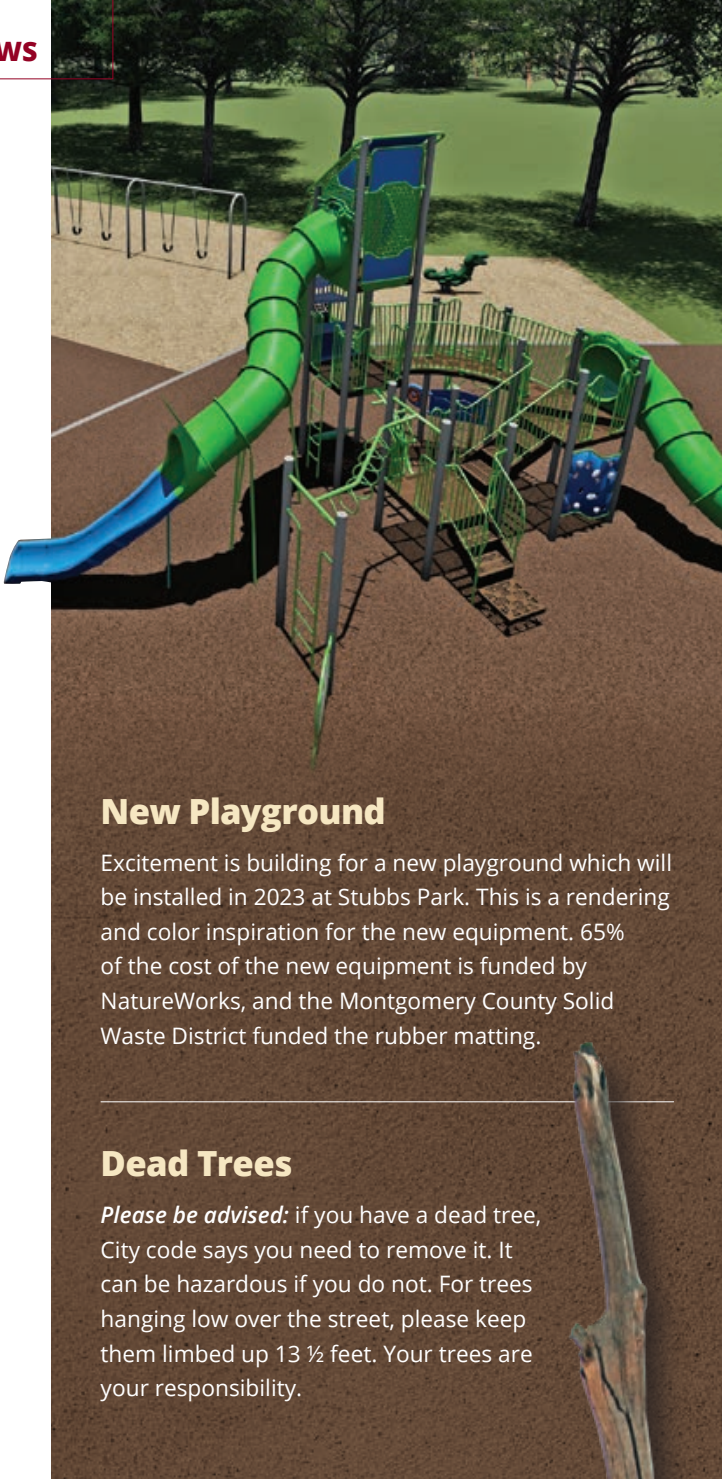

Rates have not increased since 2006, over 16 years ago. A recent Cost-of-Service Study indicated revenue from the Waste Collection Fund is no longer covering expenses. Without a fee increase, the Waste Collection Fund balance would drop below its requirement. This increase will stabilize the Waste Collection Fund and allow crews to continue providing the high level of service the community expects and deserves.

Which services are included in my waste fee?

The services provided will not change and will continue to include:

- Weekly waste and recycling pick up
- Clean Sweep, the City's annual bulk pick up
- A minimum of four scheduled leaf collections
- Christmas tree pick up
- Free designated brush drop off at the Public Works Department
- Houeline collection for residents with mobility challenges
- Hardship rate exemption for residents with low incomes
- Vacation credits
- No-cost container replacement once the container reaches the end of its life
- Quarterly billing
- 5% rate discount if pre-paid annually
- Recycling education through the City's Recycle Right Campaigns, social media and newsletters
- Exceptional customer service

New Playground

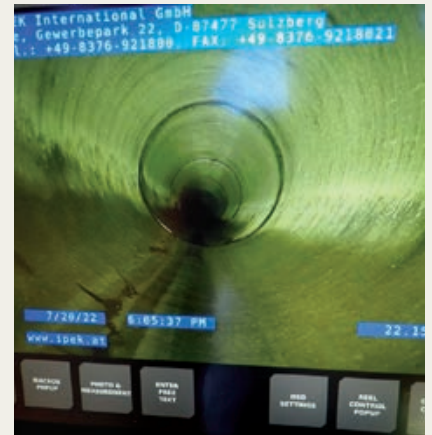

Excitement is building for a new playground which will be installed in 2023 at Stubbs Park. This is a rendering and color inspiration for the new equipment. 65% of the cost of the new equipment is funded by NatureWorks, and the Montgomery County Solid Waste District funded the rubber matting.

Dead Trees

Please be advised: if you have a dead tree, City code says you need to remove it. It can be hazardous if you do not. For trees hanging low over the street, please keep them limbed up 13 ½ feet. Your trees are your responsibility.

Storm Sewer Video

It's a dirty job, but we have the best team for it! Take a couple minutes and watch how our storm sewer camera and jetting operations keep the pipes flowing. The City's Streets, Highways and Drainage Commission recently got a tour of the system with City Council and staff. See the video at centervilleohio.gov.

HOLIDAY LIGHTING AWARDS

The City Beautiful Commission will travel Centerville roads in early December looking for festive holiday decorations. It may be your home that catches the eye with a simple, elegant display or something a bit more grandiose. Please call the City at 937-433-7151 or email information@centervilleohio.gov to make a nomination. City Beautiful is also always looking for people interested in keeping Centerville beautiful. Green thumbs are not required.

Christmas Tree Lot

The Centerville Noon Optimist Club sells 1,000 Christmas trees as one of its largest fundraisers every year. Many families make this an annual event, often taking photos in the forest of trees on display. The day begins with the search for that perfect tree. The lot opens on November 25 and runs for about two weeks. The Christmas tree lot, featuring many different types and sizes of trees, is located behind the Centerville Municipal Building.

Sinclair

The Sinclair College in Centerville unveiled its brand-new Allied Health Lab just in time for the start of Fall Term. The new lab doubles capacity and allows the Centerville location to begin offering the Clinical Phlebotomy and Electrocardiography certificates in addition to the seven Allied Health certificate programs currently offered including Nurse Aide and Patient Care Technician.

The new lab features:

- 6 hospital bed sets including privacy curtains
- 16 manikins
- 40 seat classroom capacity
- 6 sets of Prestan Professional CPR/AED Training Manikins
- 16 AED Practi-Trainers

Sinclair in Centerville, located at 5800 Clio Road, continues Sinclair Community College's mission of providing accessible, affordable, flexible education while meeting the needs of the community.

Centerville's academic program offerings are focused in three key areas: Health Sciences; Information Technology with emphases on Networking and Cyber Security; and general education courses that are aligned with universities' transfer requirements.

Whether individuals are interested in pursuing or advancing careers in Healthcare or IT, or planning to pursue a four-year degree, Sinclair Centerville has multiple options. Learn more at sinclair.edu/centerville or call 937-512-2363.

Sinclair Community College offers more than 300 degree and certificate programs, including specialized and technical areas of study that are in high demand in the Dayton region.

BENHAM'S GROVE *Celebrates 30 Years*

Benham's Grove is a community gathering place located in the heart of Centerville, Ohio and owned by the City. Benham's Grove is a venue rooted in history, a fitting setting for a wide variety of functions from intimate meetings to large formal gatherings.

The Gerber House is located at the front of the property adjacent to the road. The ten-acre property exhibits a romantic and relaxed presence with rambling grounds, an abundance of landscaping and the gazebo overlooking the pond. The historic accessory buildings such as the barn and cottage enhance the feel of this country estate that was once a working farm.

Administrator Randal Bishop shares his perspective as Benham's Grove celebrates 30 years.

■ **Why do you think Benham's Grove has such a special place in the hearts of local families?**

So many families have used Benham's Grove for birthdays, anniversaries, graduation parties and weddings. Over the 20 years I have been here, I have seen families here on multiple occasions use Benham's Grove as their children grew and as their families expanded. I have had so many wonderful comments on the property and grounds. It is truly a Centerville gathering space.

■ **Benham's Grove was once a dilapidated, vacant property. How did the City save it?**

When the City purchased the property, it was in a state of disrepair. It had been unoccupied for several years. The buildings were falling apart, and the vegetation was out of control. The city devised a plan to make the best use of the buildings and grounds. In April 1992, Benham's Grove was dedicated and opened as the 1992 Dayton Showhouse. After Showhouse, Benham's Grove opened for business.

■ **What are the notable changes you've seen over the past 30 years?**

In 1995, the gazebo was added to the property for wedding ceremonies. Many civic groups in Centerville have used the space and raised money for improvements to the facility. The pergola was also added to the southwest corner of the property. In 2013, the brick plaza was added to offer cover for outdoor events and to help use tents to protect the grounds.

■ **Please describe a few of the fun stories or highlights from events over the past decades.**

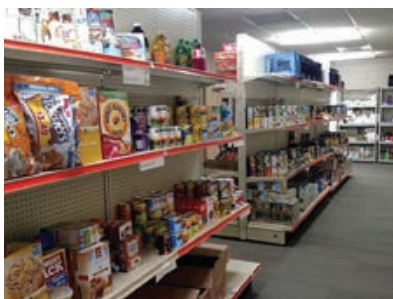

Benham's Grove has hosted thousands of guests over the years. We have had so many beautiful weddings, parties and City events it is difficult pick out just one or two. In 2008, we hosted two small weddings on the same day as the leftover effects of Hurricane Ike blew through the Dayton area. We had no power, strong winds and the loss of several large trees that came crashing down. We pushed through the weather and both couples laughed and said they would talk about getting married in a hurricane in Ohio for the rest of their lives. Plus, the Americana Festival is always a good time as thousands of people gather to catch some shade and enjoy the entertainment or just relax on the grounds.

■ **The family of past owners are still involved in the property, right?**

I am still in touch with the granddaughter of the Gerber Family, and the family still comes to visit the property. The family continues to be involved and has donated projects to enhance it as well, the latest being the new fountain at the Gerber House.

■ **What changes should we expect in the next five years at Benham's Grove?**

The future is bright at Benham's Grove! We are working now to develop an improvement plan to secure the future of the venue for upcoming generations. Expect a refresh of some of the buildings and changes that will make the space more accessible for all.

The Golf Club at Yankee Trace is an exquisite gathering space for the entire community. This 27-hole championship course was voted the best public course in the Dayton area, and recently had the best recorded June and July!

Golf is not the only thing booming over at Yankee Trace; weekly events are becoming bigger and better.

Indoor Simulators

We all know Ohio winters can be tough on the outdoor greens, and that is why we make it possible to stay warm while perfecting your golf swing. Our golf simulators are the perfect tool to continue the golf fun indoors this winter season. For more information on how to reserve your time for our simulator, please visit yankeetrace.org.

Holiday Brunches:

Santa Brunch: This holiday season we will be having Santa visit The Golf Club at Yankee Trace during our famous brunch! Reserve your table now to see Santa on Sunday, December 4. Reservations can be made online at yankeetrace.org under dining.

Thanksgiving Brunch: There is no better way to celebrate as a family than coming together at The Golf Club at Yankee Trace for our amazing Thanksgiving Brunch. We will be serving traditional Thanksgiving dishes and offering brunch items as well.

Wine dinners: The Golf Club at Yankee Trace will be offering Wine Dinners this winter. This will include five-course meals prepared by our excellent chef and each course will be served with a wine that complements the meal.

Holiday Wine Tasting: Keep an eye out for a special event this holiday season with our amazing wine tastings with several different wines you can choose from and purchase by the bottle. Do not miss out on this event and the opportunity to get this exceptional wine for you and your loved ones this holiday season.

Event Venue: The Golf Club at Yankee Trace is a wonderful location to hold your events this fall and winter season. Whether it be a company holiday party or a small family get together, we have the event venues you need to make your gathering a huge success. For more information, please visit yankeetrace.org.

Tree Lighting Ceremony

Sunday, November 20

Hometown Holiday Walk: 12:00–5:30 p.m.

Tree Lighting Ceremony: 5:30–6:00 p.m.

Bring the family to Uptown Centerville for an afternoon of carriage rides, museums, visiting Santa, and lots of holiday shopping!

Uptown will be transformed into a winter wonderland that will keep you busy all afternoon.

Wander the vendor village and stop in the shops of Uptown for holiday shopping and seasonal discounts. Finish up the evening at Benham's Grove for games, hot chocolate, and the always popular tree lighting! Transportation will be provided from the Activity Center Park parking lot to Uptown.

This event is put together by the City of Centerville, Centerville-Washington History, the Centerville-Washington Park District, the Heart of Centerville, and the Washington Township Townhall; and made possible by various sponsorships.
