

## Item C201 – Clearing and Grubbing

**C201.1 Description**

**C201.2 Measurement & Payment**

**C201.1 Description.** This work consists of removing trees, stumps, and other vegetation.

**C201.2 Measurement & Payment.** The price bid for this item shall include all labor, equipment and material necessary for the removal of trees, stumps, and other vegetation as directed by the Engineer. The measurement will be per each tree or stump removed by size, and paid accordingly. Stump removal shall be included in the price for tree removal unless otherwise noted. All remaining work for tree and stump removals, including backfill and scalping shall be considered incidental.

Payment will be based on the unit price bid:

<b>Item</b>	<b>Unit</b>	<b>Description</b>
C201	Each	Tree removed, ___" diameter
C201	Each	Stump removed (stump only), ___" diameter
C201	Lump Sum	Clearing and Grubbing
